

Tutorial: Watches

OVERVIEW

Description:	In this section, you can: 1. Search for watches 2. Add a mark up so customers can view the search with you 3. Save to an excel file 4. Print your search results / Item details 5. Set up / Use a saved search and set up alerts 6. Create filters to exclude certain members' watches from your search results
Need Help:	support@polygon.net 1-800-221-4435 (select '3' for Support in the menu options)

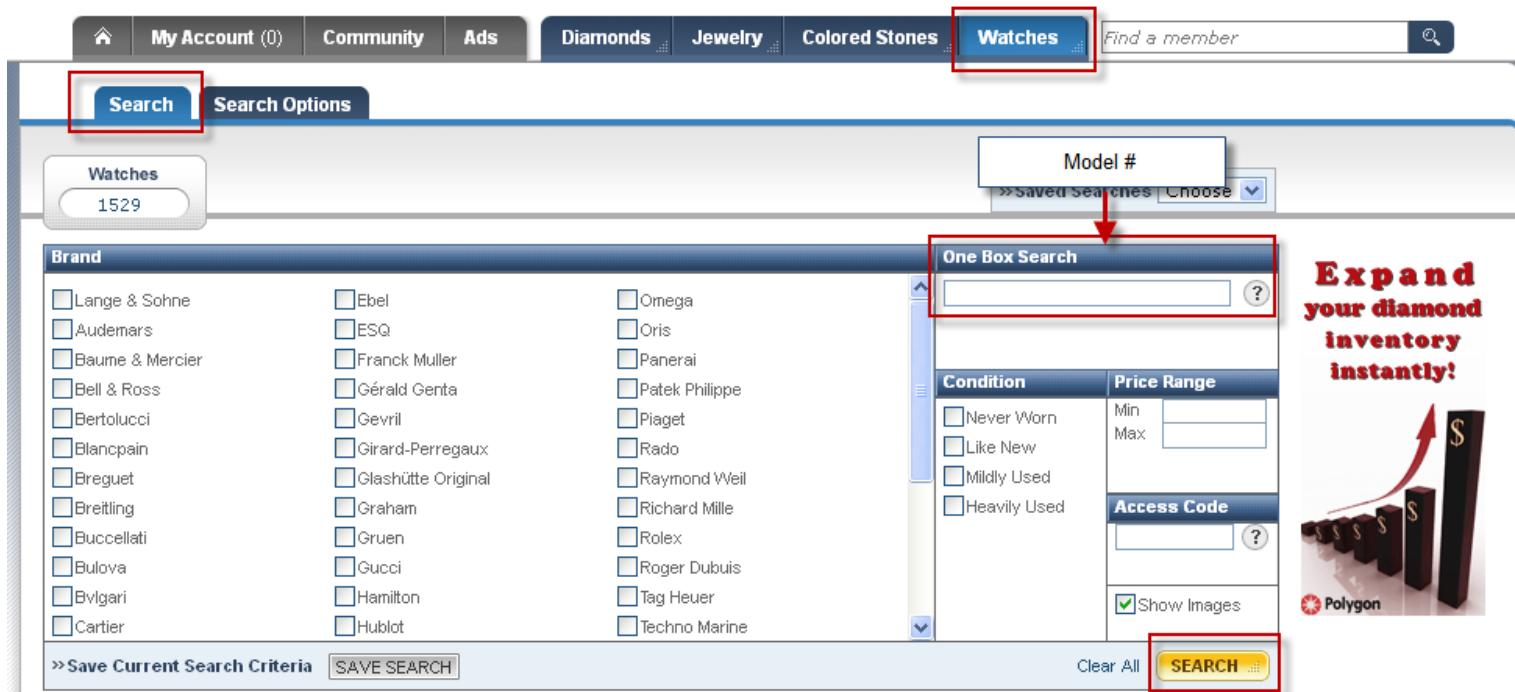

Useful Tips:

- Use the access code feature to apply a mark up so you can search with a customer
- Save the search for your most commonly searched for items to save you time

1- HOW TO

1. Search for watches

- Go to "Watches"
- Fill in the watch template with the criteria of the watch(es) you are looking for
 - i. Use the one box search to type in a key word or number – searches in stock number, model, remarks, brand and condition. You can search for partial words or stock numbers – for example, "ROL" for "ROLEX".
 - ii. Select one or many brands and/or conditions
 - iii. Select one or several shapes, colors, color systems and/or labs
 - iv. Enter a desired price range (min/max) and indicate if this is for total price or per carat
 - v. Enter an access code to show prices with your mark-up (*see section 2 of this document for details*)
 - vi. Use the "Additional Search Criteria" to narrow your search even more
- Click "Search"

2. Add a mark up so customers can view the search with you

Use this feature to view prices with your mark-up included – show your customers search results without showing wholesale prices.

- Go to "Watches"
- Under the access code, apply your mark up - Any 3 letters, the number 1 and your mark up

- Example: 20% mark-up= ABC120
- Example: 05% mark-up= ABC105
- Click “Search” the mark-up will be applied in your search results
