Polygon Conclaves are the best!!! The connections and friendships I've developed at Conclaves over the years are unbeatable. Knowledge, trading and an amazing group of people all in one place. If you haven't been to one... GO! If you have been... GO AGAIN!"

Anish Desai, Star Gems Inc.

Polygon member since 2001

For those that wonder what happens at polygon meet, there is a lot that happens. Polygon is one of the largest trading platforms but more importantly it is a great place to build your connections in the industry, once you come to an event and continue to come you will see how wonderful relationships build and the trading sessions are a great place to buy estate and sell your unwanted inventory. Becoming a Polygon member is the 1st step to success! Thank you polygon for all you do!

Curt Sutherland, DJ-X Inc.

The most sales that I've ever had at ANY show... ever! Thank you all sincerely! I'll see you at the next Conclave, if not before!
